4	Rack Tom	10	Gtr Amp DI SCR *Radial JDI supplied	16	Chanda Vox SL *Shure Beta 57a supplied
5	Floor Tom	11	Gtr Synth DI SCR *Radial JDI supplied		
6	OH SR	12	Sampler DI SCR *Radial JDI supplied		

Please Provide

- Mic Stands (4x tall boom stands for vox and appropriate stands for remaining mics)
- 19 XLR cables
- AC power drops for amps, pedal boards and monitor rack
- Drum wedge (See monitors for details)
- Drum mics

Monitors

- We carry our own IEM rack with mixer (X32 Rack) and 16 channel CBI analog splitter. We will provide a 25 ft. XLR tail from our split with ends clearly labeled by instrument to patch into the FOH snake.
- Drummer uses wedge, everyone else uses IEM's. We all mix ourselves
- Please provide a drum monitor to be driven from bands mixer. If this is not possible please let us know and we can bring a monitor or use supplied monitor and mix

THANK YOU!

We look forward to working with you!
